

You're Invited!

Date: Tuesday, May 21st

Time: 4:00 p.m.

Location:

Mercy St. Francis Hospital
100 W. U.S. Highway 60

We would like to invite you to a blessing ceremony followed by a come-and-go reception in honor of our new 3D Mammography machine in Mountain View. **Mercy St. Francis Hospital** is thrilled to now offer the latest in breast imaging technology. Advantages 3D mammography offers include:

- Better screening and earlier detection through minimization of overlapping tissues in images
- Enhanced image quality allowing better visualization for radiologists to help distinguish harmless abnormalities from real cancers
- Reduced patient anxiety and fewer callbacks

Mercy St. Francis Hospital mammograms are read by dedicated, fellowship trained breast radiologists.
