RP states there is a mini aussie in the road in front of wilson industries. RP has tried for 2 weeks to get the dog out of the road way so it doesn't get hit, but it wont allow anyone to get to close to it. It runs away every time. RP states that its always running down the middle of the highway and when you try to get close to it, it takes off down the center lane. There was also another subject that came in and stated he tried for an hour to get the dog out of the road.
