RP states that her juvenile son is living at her daughters house and he is refusing to comply with rules or even get in the vehicle. He is threatening to kill her. RP states that he could possibly have a pocket knife with him. He has been cutting himself, he says he does it because he doesn't feel loved. He refuses to take any medication that was perscribed to him for his mental state. RP would like her son to be taken to the hospital for a mental evaluation. RP called back and said her son wants to go live with a friend and he told her he legally can. She wanted advise on if it was legal for him to make that choice on his own or if he is legally supposed to stay with a parent or guardian until he is 18.
