RP came in and filled out a statement, The RP stated that she and subject 2 were at subject 2's friend's house, and he had thrown a beer can at her, hitting her hand. She decided to leave the friend's house and subject 2 started hitting her in the face while she was driving, and then he reached over her with his leg and slammed on the breaks. The RP jumped out of the car to get away and he pulled her hair and her shirts and bra off while trying to get her

back in the car. After he let her go, she ran to the truck to get a shirt. He then gets out of the car and she jumped back in it and went to his parents house. The RP states that subject 2 was highly inebriated and was driving with her in the vehicle and going over 100mph. She states that she was able to get a ride from subject 2's mother, back to her house. She stated that around 3:15 this morning, he showed up and was banging on the door. She stated that he has ran over one of her dogs previously, and this time he was threatening to kill them and tried loading one up in his friends truck.

The RP states that she is going to the court house Monday morning to get an emergency protection order, but for the time being, her parents are out of town and she is home alone with her minor brother. She and her brother will be staying at a different location at night until her parents can make it back home.

States that there is an on going problem with subject 2 being respectable in her home, today she bought 2 toy boxes against the RP's wishes and then brought them in the house. When the RP told Subject 2 not to bring them in the house, subject 2 will threatened to call the cops and make up lies about the RP and threatened to call the RP's friends and say things to them to ruin their relationships. RP states that subject 2 has brain cancer and 4 kids, so she doesn't want to evict her, but at this point she is at a loss for what to do. RP stated that subject 2 has no where else to go but she cannot have subject 2 there making idol threats and disrupting her life. The RP has a letter from the doctor stating that subject 2 is unfit to make decisions for herself. The RP keeps Subject 2's meds in a locked safe and she keeps asking for them. The RP told her no because she doesn't need them and she forgets she has taken them and over takes her meds. Subject 2 has threatened to call the police on the RP for not giving her, her meds.

RP states that her house burned down last week, and when subject 2 went by there today, he caught 3 kids playing in the house and he told them to stay out of the house. A little while later the neighbor called and said the kids were back. When subject 2 went back over there, he noticed it was the same girl but 2 different boys. The kids were between 8 - 12 years old. RP states that she knows where the kids live. RP is worried about the kids going in and getting hurt. The RP would like talk with a deputy because the first set of boys were trying to leave with a chair, the neighbor told him to put it back and he did. The RP and Subject 2 would like a deputy to talk with the parents.
