

STATE REPRESENTATIVE
LISA DURNELL
154TH DISTRICT

Committees
Agriculture
Special Committee on Tourism

Greetings from the 154th district:

We are only days away from Election Day, and I strongly encourage you to get to your polling place and exercise your civic duty. There are five items on your ballot that need your attention, and two amendments have the capability for life altering and life changing consequences.

Amendment 3 seeks to protect the most vulnerable life among us: our unborn babies AND our treasured young people. A yes vote will place parameters and barriers on abortions and turn our state back in a direction that values life. It will also protect minors from IRREVERSIBLE transgender procedures – there is no chance of successfully reversing these procedures once they are carried out. I ask you to vote with your mind, but I also ask you to not forget your heart as well.

Amendment 6, if passed, will almost certainly eliminate the need to place power in the hands of your Representatives and Senators here in Jefferson City. It will exponentially limit their abilities to pass and amend legislation that may be vital to the citizens who send us here with trust. It will turn our state into a direct democracy instead of the representative form of government that our founders intended it to be. Please vote NO.

I don't want to diminish the importance of the other two amendments and the proposition on the ballot, for those are of significant importance as well. If you do not understand the ballot language or are seeking clarification, please reach out to me and I will share my thoughts.

As the fall continues and we head into the holidays, I will be working on legislation and continuing to attend meetings and events throughout the district. As always, please reach out if you have an issue with which our office can be of assistance.

I wish you all a Happy Thanksgiving!

Best wishes,

Lisa Durnell

State Representative
District 154

“For I know the plans I have for you,” declares the LORD, “plans to prosper you and not to harm you, plans to give you hope and a future.”
--Jeremiah 29:11
