

LENDER ROUNDTABLE:

CONNECTING

SMALL BUSINESSES WITH CAPITAL

Finding the right financing often takes more than one conversation. Join OzSBI and the Show-Me Network for a roundtable bringing together lenders, entrepreneurs, and small business owners to explore funding options for starting, growing, and expanding a business.

Hear from AltCap, Justine PETERSEN, Small Business Administration (SBA), OzSBI, and Show-Me Network about financing opportunities, borrower readiness, referrals, and resources to help businesses access capital.

Whether you're seeking funding or helping businesses access it, come learn, ask questions, and make valuable connections.

Attendance is limited, and registration is required. Breakfast is provided and sponsored by AltCap.
