12:06:52 • Rp states that a red, Dodge dulley truck pulling a trailer backed into her yard at around 1000 this morning. Rp went to confront the occupants of the truck and asked them what they were doing on her property. Rp stated that both occupants of the vehicle had conflicting stories. One said they were waiting on someone and the other one stated that they were doing some contruction work. The driver of the vehicle was hispanic and spoke with a hispanic accent. Rp also mention that the gate to her property has a chain on it and they removed the chain to gain access to her property. Rp also stated that she has a private driveway and there was no way that the occupants would think this would be anything, but her property. Rp stated that the trailer was backed into the driveway and backed right up to her shed. Rp also states that there has been several drones flying in the area at night and one even landed on rp's roof. Rp didn't know if the drones were related to the truck incident, but wanted to mention it. Rp would like the incident document and put on record.
